

GREENE COUNTY CAR SHOWS & CRUISES

2023

WELCOME

Greene County is your hub for history and recreation. Whether it's experiencing the Civil War era at festivals where reenactors take you on a trip back in time, taking a scenic drive through the county's seven historic covered bridges or ramping up the excitement at High Point Raceway for national ATV and motocross racing. There's something to keep the young, and young at heart, at play.

Prep those cars, trucks, motorcycles and tractors! You are invited to celebrate the Southwestern Pennsylvania summer at any of Greene County's numerous car cruises and shows. They are an annual favorite throughout the months of May through September. As you browse, you can pick from a variety of concessions, food trucks and local vendors while taking in the oldies music and lively atmosphere. If you prefer to get the motor running, specifically in the form of street racing, check out the Flashlight Drags held throughout the season at the Greene County Airport.

Whether it's a laid-back summer afternoon or an adrenaline rush that you are looking for, there's something for all to enjoy.

COVERED BRIDGES OF GREENE COUNTY

Take a drive on country roads that trail through the scenic farms and charming small towns of Greene County, Pennsylvania to discover seven of our covered bridges.

These sturdy structures of the past have survived floods and time itself to tell their story of 19th century rural America. Legend has it that kisses were stolen as young lovers passed beneath the trusses far from prying eyes. So, steal your own kisses or if you would rather not, take a selfie. Either way, you can enjoy the drive.

Winter snowfalls, spring blossoms, summer sunshine and fall leaves are the perfect backdrop for picturesque photographs with these architectural delights. Look around and you'll know why carloads of covered bridge lovers travel here throughout the year.

Embark on a road trip through Greene County -
our covered bridges are yours to enjoy!

Take a FREE self-guided driving tour with our Google Map itinerary!

Scan the QR code or head to:
